GOVERNING BODY RESOLUTION

Resolution No.: ATIC/BOG/2026/01

Date: 02-05-2026

Venue: Board Room, Aurora's Technological Institute, Chikkadpally

Subject: Change of Name of the Institution from "Aurora's Technological Institute (ATI)" to "Aurora's Engineering College, Chikkadpally"

The Governing Body of Aurora's Technological Institute, Chikkadpally, Musheerabad, Hyderabad, Telangana, met on 02/05/2026 under the Chairmanship of Shri K Mohan Raidu to deliberate upon the proposal for change of name of the institution.

The Governing Body noted that the institution has been functioning successfully under the name Aurora's Technological Institute and has established itself as a reputed engineering institution offering undergraduate programmes in Engineering and Technology. The members observed that the present name does not clearly reflect the engineering education focus of the institution and may not adequately communicate its academic identity to students, parents, industry, regulatory authorities and other stakeholders.

The Governing Body further observed that the proposed name "Aurora's Engineering College, Chikkadpally" would more appropriately represent the nature of academic programmes offered by the institution and strengthen its identity as a dedicated engineering college while preserving its association with the Aurora Group of Institutions.

After detailed discussions and considering the academic, administrative and strategic advantages of the proposed name change, the Governing Body unanimously passed the following resolution:

RESOLVED THAT pursuant to the powers vested in the Governing Body and subject to the approval of the competent authorities including AICTE, Jawaharlal Nehru Technological University Hyderabad (JNTUH), Government of Telangana and any other statutory or regulatory authority as may be required, the name of the institution presently known as "Aurora's Technological Institute (ATI)" be and is hereby proposed to be changed to "Aurora's Engineering College, Chikkadpally".

RESOLVED FURTHER THAT the proposed change of name shall not in any way affect the ownership, management, governance, assets, liabilities, academic programmes, approvals, affiliations, rights, obligations, employees, students or any other activities of the institution and that the institution shall continue to function under the same management and at the same location.

RESOLVED FURTHER THAT the Secretary and Correspondent of the institution, Dr. Ramesh B Nimmatoori, be and is hereby authorised to submit applications, affidavits, undertakings, declarations, resolutions and such other documents as may be required before AICTE, JNTUH, Government of Telangana and other statutory authorities for obtaining approval for the change of name.

RESOLVED FURTHER THAT the Principal of the institution be and is hereby authorised to coordinate with the concerned authorities and undertake all necessary procedural formalities, correspondence and compliance requirements in connection with the proposed change of name.

RESOLVED FURTHER THAT upon receipt of approvals from the competent authorities, the institution shall take necessary steps to implement the approved name change in all records, certificates, admissions, correspondence, websites, publicity materials and official documents in accordance with applicable regulations.

The resolution was put to vote and passed unanimously by all members present.

Certified to be a true copy of the resolution passed by the Governing Body of Aurora's Technological Institute at its meeting held on 02/05/2026.
